Rashen Company started producing office furniture in 1997. Since then, this company has tried to provide its respectable customers with different service and products by the use of modern technology, experts and experience. In this complex, use of materials and components of high quality under close observation of professional designers together with precise quality and quantity control has led to productions with high quality.

Our aim is to produce ergonomic goods of high stability, in accordance to defined standards and guarantee. In this respect, Rashan Complex has been successful in receiving ISO9001:2008 certificate in quality management from the German company, QA TECHNIC.

Rashen Co. has considered customer satisfaction above all its goals and has paced towards it and was successful to receive ISO10002:2004 certificate in 2014.
